

Request for Disaster Relief Funds

The Federal Home Loan Bank of New York (FHLBNY) has committed to provide \$1 billion dollars of Community Lending Program funds for disaster relief funding to communities that have been declared disaster areas by the Federal Emergency Management Agency (FEMA).

Member institutions may apply for funding for a broad range of residential and economic development lending activities related to disaster recovery for affected communities.

Qualifying activities include: Residential lending, commercial/economic development activities; small business lending; and bridge financing while awaiting insurance and/or FEMA payments.

This is a no cost commitment; there are no fees associated with non-drawn funds.
