A variety of credit products, called “advances,” are available to our members for added financial flexibility. Standard advances include fixed-rate, floating-rate, and amortizing advances, all available with a wide range of maturities. Custom advances are also available that include interest rate caps and floors, collars, putables, and callables. Discounted community investment funds and grant money are also offered to our members in support of low-income housing and economic development to help improve communities.
